

Pet Agreement

- The weight limit for any animal is 50 pounds.
- Only 2 pets are allowed per designated room. Only specific hotel designated rooms are used for guests with pets.
- A certificate of health from a veterinarian must be faxed (Fax – 727-864-4494) or email form to **reservations@attheskyway.com** a minimum of 10 days prior to your arrival date or presented at time of arrival. Owner also takes responsibility and assures pets are up to date with flea/tick treatments.
- In order to assure the availability of a pet friendly guestroom, this pet agreement must be completed, signed, and faxed back to us prior to check-in. We can fax a copy of this agreement to you or you can print out this agreement by going to our website at **www.marinacoveresort.com**; click Pet Friendly Hotel on the home page. Waiting until check-in to provide this document may not assure you availability of a pet friendly guest room.
- Dogs must only be walked in designated dog walking areas and cleaning up after the pet is the responsibility of the pet owner.
- Pets are not allowed in the restaurants, lounges, pool areas, beach, courtyard, or any other area not designated as “pet friendly”. See Hotel map for pet friendly areas.
- When in any designated pet friendly areas, the pet must be on a leash.
- The only areas where pets are permitted without a leash are inside your designated pet friendly guest room.
- A nightly fee of \$20 plus tax will be posted to each room occupied by a pet. This fee is non-refundable.
- A pet arriving without a valid certificate of health from a veterinarian will be relocated to a kennel at the owner’s expense.
- If your pet disposes of any urine or excrement in a guest room, there will be an additional \$125.00 cleaning fee added to your room account. If the room can not be put back into service due to smell/condition caused by pet, the guest will be responsible for any room night charges, plus tax, while that room remains out-of-order.
- If your pet is left alone in the room, we ask that it is placed in a crate environment (or if not in a crate environment your “do not disturb” sign must be placed on the door). Please advise the front desk in advance if you are interested in reserving a pet-sitter. The cost for the pet sitting is \$25.00 per hour or a flat fee of \$25.00 for pet walk.
- Arrangements must be made with our housekeeping department regarding the servicing of your guest room. During the housekeeping service, one of the following needs to take place: owner is present in the room with pet(s), the pet is removed from the room, or the pet is crated. Normal service hours apply.

Noise Complaints:

- In fairness to our guests, you are fully responsible for our pet’s actions. Should noise from your pet become an issue, our management or security team will contact you to address the situation. If the issue is not addressed, our management or security department reserves the right to resolve the situation. This may include relocation of your pet to a kennel at owner’s expense or hotel eviction.

Acceptable Pets/Breeds:

- Magnuson Hotel Marina Cove accepts cats and dogs under our pet friendly program. No other animal, birds or reptiles are permitted. Aggressive breeds are not permitted on property (Pit Bull, Rottweiler, Doberman and Chow)

We agree to comply with all pet requirements and will not hold the hotel responsible for any incidents involving our pet. We understand that a \$125.00 deposit is being held on our account to cover any cleaning fee incurred as a result of damage, over and above the regular day-to-day cleaning process, due to the pet occupying the room. We accept full responsibility for any damages to the room or its contents and agree to pay hotel any costs incurred as a result of damages caused by our pet.
